Passport to Connecticut Libraries at Edith Wheeler Memorial Library

April 1 - April 30

Monroe, CT – April 1 - April 30, 2024. Over one hundred Connecticut libraries will participate in the Connecticut Library Association's Passport to Connecticut Libraries Program. To celebrate National Library Week during April, the Passport to Connecticut Libraries Program invites you to visit all of the participating Connecticut public libraries. Take the opportunity to explore each library's architecture, ambiance and collection. The program is open to adults and children, encouraging you to explore the many different libraries in Connecticut.

To participate, visit the library to pick up your Passport. Show us your library card and we will stamp the Passport to get you started. You will receive a free token gift. Then, take your Passport along as you visit other participating libraries. At each visit, you must show your library card, and then the library will stamp your passport.

Visit at least five (5) participating libraries and return your passport by May 10th to any participating library, to be entered into one state-wide drawing for a chance to win a \$200 Visa gift card for adults (18 and up) and a \$200 Visa gift card for children (under 18). Visits must occur between April 1 and April 30. This is a statewide contest where four (4) winners will be selected: one adult and one child from a random drawing from all who returned Passports with at least five separate library stamps, and the one adult and one child who visited the most libraries and received stamps.

For more details and a full list of participating libraries visit www.ewml.org or call the Reference Desk at 203-452-2852.
