

# Baby Wipes

Here in the art room, the creative process sometimes gets a little messy! With paint, glaze, plaster, and glue galore, it is not uncommon for spills and spots to occur.

With the artistic process, there is often a portion of the class spent on cleanup. To facilitate the cleanup process, I typically have students use baby wipes for their hands and the tables. If anyone would like to bring in a box of baby wipes with their child, it would be greatly appreciated!

Thank you! ~Mrs. Silva

## Other Items we could use in the art room:

- Newspaper
- Balloons (without air)
- Flour
- Prizes for our treasure chest
- Sponges
- Dish soap
- Tissues
